RE: DES Wetlands File #1999-02444, 44 Eaglemere Road, Tuftonboro

Dear Ms. Eckles:

On August 16, 2004, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above-referenced property, more specifically referenced on Town of Tuftonboro Tax Map 50 as Lot 23 (the "Property"). The purpose of the inspection was to determine compliance with RSA 482-A and applicable rules adopted under that statute, and specifically whether the deficiency noted in the Letter of Deficiency issued to you on December 11, 2003, had been addressed.

As a result of this inspection, it was determined that the deficiency described in the Letter of Deficiency has been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance in bringing this matter to a resolution. Should you have any questions, please contact Linda Magoon at (603) 271-4056 or by e-mail at lmagoon@des.state.nh.us

Sincerely,
